# General Terms & Conditions

# Terms & Conditions

## Terms

### Contractual language

The contractual language is Dutch. The English version of these General Terms and Conditions only serves the convenience of the partner. In the case of conflict between the Dutch and the English version of these terms and conditions, the Dutch version will prevail.

### 1 Applicability of the General Terms and Conditions

1.1 These General Terms and Conditions are applicable to all offers, agreements and deliveries concerning De Vorm B.V. trading as De Vorm and hereafter named "De Vorm", and all associated products. In these General Terms and Conditions, the opposite party to De Vorm shall further be referred to as "the Client".

1.2 Any purchase conditions of the Client shall not seclude or restrict these General Terms and Conditions.

### 2 Offers and agreements

2.1 All offers and quotations by De Vorm are without commitment.

2.2 Agreements between De Vorm and the Client are only achieved, when they have been confirmed explicitly in writing by De Vorm. Orders may only be cancelled upon approval by De Vorm.

### 3 Delivery times

Delivery times as stated by De Vorm are solely an indication of a tendency and may not be seen as definite date, if it hasn't been agreed on otherwise in an explicitly written form.

### 4 Force majeure and changes of circumstances

4.1 If, after the achievement of an agreement, the prices for primary products, wages, import procedures, taxes or other external costs (if not an effect of currency changes) rise, then De Vorm is entitled to adjust their retail prices accordingly. In such circumstances, De Vorm will inform the Client as soon as possible, which entitles the Client to terminate the agreement within 8 days.

4.2 If De Vorm is unable to execute an agreement as a result of force majeure, De Vorm is entitled to dissolve the agreement either in its entirety or in part or to halt its obligations until the state of force majeure has passed. The Client is then obligated to pay for the already delivered goods.

### 5 Variations

All data, models and images concerning colours, materials, measures and processing are sole indications. Occurring variations may not form a ground for complaints, compensations, termination of an agreement or price deductions, if these variations are considered to be of minor importance.

### 6 Deliveries

Orders are only delivered postage free, if it has been explicitly agreed on. If goods are not delivered postage free, De Vorm is entitled to charge shipping costs.

### 7 Risk

The risk for all products to be delivered, devolves from De Vorm upon the Client once they have left De Vorm's places of transhipment, whereby it is of no concern, what has been agreed on beforehand between De Vorm and the Client regarding transport and insurance.

### 8 Refusal of delivery by the Client

If the Client refuses a delivery, De Vorm is entitled to charge him with all resulting costs. Furthermore, De Vorm may, in this case, terminate the agreement, reserving the right to demand total compensation.

### 9 Payment

9.1 De Vorm is entitled to demand (partial) advance payment or pay on delivery at all times.

9.2 If goods are delivered on account, the payment must be made within 14 days, whereby the Client is not entitled to any price deductions or offsetting.

9.3 If a due date for payment is exceeded and no (partly) payment has been received, the Client will be legally in default and charged to pay daily interest corresponding to the state interest rate. The Client will be charged with all costs such as legal costs and extrajudicial and judicial costs, including costs for legal aid, bailiffs and debt collecting agencies, that accrued for De Vorm due to late payments. Extrajudicial costs are set for this purpose at no less than 15% of the sum due, with a minimum of € 150,- excl. VAT.

### 10 Grant of a delay

If the Client is in default or if De Vorm has good reason to presume that the Client does not or cannot adequately comply with his obligations and/or on time towards De Vorm, then De Vorm will be entitled to (partly) suspend the execution of all agreements or to dissolve them completely or in part without giving notice of default or judicial intervention being required and without being obliged itself to pay any compensation, whereby any obligations of the Client may be made enforceable immediately.

### 11 Reservation of ownership

11.1 All delivered products remain the property of De Vorm until the Client has adequately complied with all his obligations towards De Vorm according to the terms and conditions of the agreement.

11.2 The Client is only allowed to sell the products, that have remained the property of De Vorm in regards to this condition, within the scope of his company's normal exercises.

11.3 If the Client is in default or if De Vorm has good reason to presume that the Client does not or cannot adequately comply with his obligations towards De Vorm, then De Vorm will be entitled to reclaim delivered products from the Client or from third parties, who are engaged in business with the Client. The Client has to grant full cooperation in this case.

### 12 Claims

12.1 Within 10 days after receipt of the products - and immediately in case of external damages - the Client has to file and send a detailed and precise claim in writing to De Vorm, in which he presents his complaint.

12.2 Without prejudice to the generality of the foregoing, the Client is obliged to examine the delivered products before they are taken in use, adjusted or sold.

### 13 Returns

Returns of delivered products may only take place after confirmed in writing by De Vorm, whereby De Vorm is entitled to issue instructions regarding the manner of shipping.

### 14 Intellectual property rights

De Vorm has and keeps all intellectual property rights based and founded on the design.

### 15 Liability for damage

15.1 De Vorm is not liable for damage as a result of inappropriate or misapplied utilisation and much else, as long as the damage was not caused directly and solely due to wanton negligence or intent by De Vorm.

15.2 A damage is only qualified for compensation, if the Client has incontrovertibly stated, that the damage occurred due to a circumstance or incident for which De Vorm can be held legally liable.

15.3 Damage due to diminished win or lost profits is not qualified for compensation in any case.

15.4 Damage in association with damage or loss of a business or injury of a person is qualified for compensation up until an amount of the maximum order value that applies to the (part) delivery, with an understanding that the amount may not be higher than € 45.000,- and in any case at all times limited to a maximum of the amount that the insurance of De Vorm covers.

15.5 The Client prevents De Vorm from liability and compensation for damage caused by third parties, that were involved in the execution of the agreement on request by and with confirmation of the Client. The same applies to damage caused by materials, that were delivered by third parties on request by and with confirmation of the Client.

15.6 De Vorm is not liable for damage caused by inappropriate or misapplied utilisation of the delivered goods.

### 16 Dutch law

The Dutch law applies to this agreement. In case of dispute, the judge of the city, in which De Vorm is located, will be authorised, unless the dispute exceeds the relative competence of the circuit judge.
